To Whom It May Concern:

It is my privilege to recommend the Bible teaching ministry of Christie Johnston. Christie is an able and dynamic teacher of God's Word. During her time at Midwestern Baptist Theological Seminary, she has shown herself to be an excellent and exceptional student. Her love for the Word of God is evident in both her application as a student and her ability as a teacher.

Without hesitation, I commend to you the teaching ministry of Christie Johnston.

Sincerely yours and His,
