To Whom It May Concern

We are well acquainted with Christie Jo Johnson and her family. As members of First Family Church, where her husband, Jerry Johnson is Senior Pastor, we have had the opportunity to attend Bible studies she has led, and have been in attendance on numerous occasions where she has addressed the entire congregation. Christie is an articulate and compelling speaker and teacher and is always prepared with her subject matter.

Christie is also a vital part of the Church programs, and is engaged in numerous activities with enthusiastic energy. She has always exhibited a passion for empathy and encouragement. She is the recognized leader of the women's ministries at the Church. She is loved and respected by the entire congregation.

In addition to her busy schedule as a teacher, speaker and leader, she is always willing to be the "pastor's wife" that entails numerous miscellaneous duties of visitation, greeting, promotion and , not the least, providing a home for a very busy pastor/husband.

Christie has sought to improve her ministry by attending a master's program at Midwest Baptist Theological Seminary, with a grueling advanced and accelerated program. Although this program has taken a lot of her time she has not neglected her other duties at the Church.

We can heartily recommend Christie for any endeavor that requires speaking and teaching expertise, devotion to duty, a willing heart, a sympathetic and understanding attitude, intelligence, a talent for fostering personal relationships, a love of family, and the love of Christ.
